## From the District Office

We've had a great start to our extended school year programs with total enrollment at 659 students. Many folks I've spoken with have said how pleased they are with how smoothly things have gone so far. Cooperative Summer School is up and running with 1,336 students registered for summer courses at East Irondequoit Middle School for students of East Irondequoit, East Rochester and Webster, and at Pittsford Sutherland High School for students of Fairport, Honeoye Falls-Lima, Penfield and Pittsford.

I want to especially thank everyone on the Foreman Center Campus for your patience as our major roof renovation on Building 1 continues, as well as improvements to some roadways as they are being resurfaced. Like any construction project, the short term inconvenience is worth the improvements on the other end.

- Mike Doughty, Deputy Superintendent

## SANE (Sometimes Acronyms Need Explaining)

### NIFL

#### National Institute for Literacy

Since its creation in 1991, the National Institute for Literacy has served as a catalyst for improving opportunities for adults, youth, and children to thrive in a progressively literate world. At the Institute, literacy is broadly viewed as more than just an individual's ability to read. Literacy is an individual's ability to read, write, speak in English, compute, and solve problems at levels of proficiency necessary to function on the job, in the family, and in society. The Institute, a federal agency, was established by the National Literacy Act and reauthorized in 1998 by the Workforce Investment Act.

Changing the Zoom will make it easier to read.

**To change the Zoom**, select View, Zoom, Fit Width.

Ctrl 0 will take you back to **Full Page view**.

To see **2 pages at once** select View, Page Display, Two Page View.
